

COM 2011 : Primary Care: Family Medicine

The clinical clerkship in either Family Medicine, General IM, or Pediatrics is a required 4-week Core clerkship. This clerkship is designed to provide the student with an understanding of Primary Care through the integration of didactic knowledge and clinical experiences. Students will receive exposure to a diverse community of patients in both ambulatory and/or inpatient settings. The curriculum content is delivered to students via the learning management system web site. During the clerkship, students will access the learning website to review learning modules on topics appropriate for a fourth-year clerkship.
