

PHR 871 : APPE – Inpatient/Acute Care

This advanced pharmacy practice experience (APPE) is a 240-hour (6 week) clinical rotation with a pharmacy practice preceptor. This course is designed to provide students with an in-depth understanding of an acute care setting such as internal medicine or critical care. Students will participate as an active member of the patient care team.

Credits 6

Prerequisites

Successful completion of all first, second and third year didactic and experiential coursework
