

About CHSU & Disclosures

California Health Sciences University (CHSU) is a privately owned institution established in 2012 that offers a local option for those seeking to attend a medical school to help remedy the shortage of health care services or to strengthen their knowledge in the field of biomedical sciences. CHSU is committed to health sciences research and improving the access and delivery of quality health care in the San Joaquin Valley. Currently, CHSU offers a four-year Doctor of Osteopathic Medicine (DO) program and a one- and two-year Master of Science in Biomedical Sciences program (MSBS). As of fall 2020, CHSU is no longer accepting applications for the College of Pharmacy (PharmD) program. The PharmD program is currently offering a teach out program for the remaining PharmD students attending CHSU. (For information, please refer to ACPE Accreditation section of this catalog)

School Performance Fact Sheet

In compliance with the California Postsecondary Education Act of 2009, California Health Sciences University provides the following Statements of Fact: The Bureau for Private Postsecondary Education (BPPE), as the regulatory body for private postsecondary institutions for the State of California, requires that each institution provide the following information to students, prior to enrollment, as evidence of recognition of the need to address consumer protection:

- Completion rates for each program of instruction;
- Placement rates for each program of instruction;
- License-examination passage rates for any program to which that statistic is applicable;
- Salary or wage information for each career, occupation, trade, job, or job title, as applicable, for which students are prepared.

The data are published on the university website (<https://chsu.edu/accreditation/#fact-sheets>) and updated annually. This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 1747 North Market, Suite 225, Sacramento, CA 95834, <http://www.bppe.ca.gov/>; Phone: (916) 431-6959; Toll-Free: 888-370-7589; Main Fax: 916- 263-1897

Right to Cancel

A student has the right to cancel their enrollment agreement and obtain a refund of all charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later, less the maximum nonrefundable two-hundred and fifty dollars (\$250) seat deposit. Students who wish to cancel their enrollment agreement must notify the applicable

College's Office of Admissions of the cancellation by email, mail, or in person. If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund. If the student receives federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds.

Notice Concerning Transferability of Credits and Credentials Earned at Our Institution

The transferability of credits you earn at California Health Sciences University is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree or diploma you earn in your program is also at the complete discretion of the institution to which you may seek to transfer. If the credits, degree, or diploma that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending California Health Sciences University to determine if your credits, degree, or diploma will transfer.

Notice Concerning Limited English Speakers

The Pharmacy, Master of Science in Biomedical Sciences and Osteopathic Medicine programs are taught entirely in English and fluency is required. If English is not the student's primary language and the student is unable to understand the terms and conditions of the enrollment agreement, the student shall have the right to obtain a clear explanation of the terms and conditions and all cancellation and refund policies in his or her primary language.
