AACOM Debt Management Modules

CHSU and the American Association of Colleges of Osteopathic Medicine (AACOM) recognize that many students will finance their education costs with student loans. AACOM provides a series of educational debt management modules for osteopathic medical students and recent graduates. Each module contains specific information and resources to help osteopathic medical students borrow strategically and ensure they are prepared to responsibly repay their loans after they graduate and enter residency training. The modules cover a broad scope of important financial aid and budgeting topics. CHSU-COM students are encouraged to review the modules which can be accessed at <https://www.aacom.org/become-a-doctor/financial-aid/aacom-financial-aid-debt-management-modules>.
