

Federal Student Loans

Federal Direct Unsubsidized Loans

The Direct Unsubsidized loan is a loan offered through the Federal Government. This type of loan accrues interest throughout the life of the loan. The Department of Education sets annual and aggregate limits for the loan program.

Interest rates for the unsubsidized loan are set by the Department of Education. Interest rates vary based on the student's level in school and the loan's first disbursement date. Currently the interest rate is fixed at 7.05%. The government also charges fees to create the loan. The current percentage charged on an unsubsidized loan is 1.057%. Interest rates are updated in May. Origination fees are updated every October.

Funds are awarded per academic year. Disbursements are made at the start of each payment period. Each academic year is made up of at least two payment periods. Students are eligible for a 6-month grace period and a variety of repayment options.

For an unsubsidized loan to be processed a student must have also completed a student loan entrance counseling session and a Subsidized/Unsubsidized Loan Master Promissory Note (MPN). Both the counseling and MPN should be completed online at www.studentaid.gov.

Direct Plus Loan for Graduate Students (Grad Plus)

The Direct PLUS Loan for Graduate Students is a loan offered through the Federal Government. This type of loan accrues interest throughout the life of the loan. Currently the interest rate is fixed at 8.05%. The government also charges fees to create the loan. The current percentage charged on an unsubsidized loan is 4.228%. Interest rates are updated in May. Origination fees are updated every October. A student can borrow up to their cost of attendance minus all other aid awarded. Approval for the Grad PLUS loan is based on a student's credit. Students with adverse credit can add a credit worthy endorser to their application or provide documentation about extenuating circumstances for review.

Students should apply for enough funding to cover one academic year at a time. Students are encouraged to borrow responsibly and only what is needed. Students will need to reapply prior to the start of each academic year. Students should indicate the amount that they are requesting on their application. Loan applications should be completed online at www.studentaid.gov. Students are eligible for a six-month grace period and a variety of repayment options. Funds are processed per academic year. Disbursements are made at the start of each payment period.

For a grad PLUS loan to be processed, a student must have submitted a FAFSA, exhausted all unsubsidized loan eligibility, completed a PLUS Master Promissory Note (MPN) for Graduate/Professional Students and completed a PLUS loan counseling session (required for students with adverse credit history). The loan application, counseling session and MPN should be completed online at www.studentaid.gov.

Return of Title IV Funds

When a student withdraws from a program a calculation is done to determine the amount of financial aid that was earned by the student based on the amount of time, they were attending the program. The Return of Title IV calculation may result in a student owing the University for unpaid tuition and fees and the Department of Education for loans.

If the process creates a balance due on the student's account, the student is responsible for full payment. Funds returned to any Title IV program will not exceed the amount disbursed or credited to the student's account. If the process creates a credit balance on the student's account, the student may be eligible for a post-withdrawal disbursement. All Title IV funds will be made available within 45 days of the date the school determines the student withdrew.

Any refund calculated as a result of the return of Title IV process will be allocated in the following order:

1. Direct Unsubsidized Loan Funds
2. Direct Grad PLUS Loan Funds

Please see Withdrawal Policy and Refund Policy for additional information.

Exit Counseling

Prior to completion of their program students who borrowed Federal Direct Loans must complete a Student Loan Exit Counseling session. Exit Counseling is a requirement. It provides information about your loan history, repayment, deferment and forbearance and avoiding default. Exit counseling should be completed online at www.studentaid.gov. Students will need to log in using their FSA ID.

Notice of Federal Student Financial Aid Penalties for Drug Law Violations
