

Student Supplemental Medical Insurance

CHSU has partnered with a supplemental insurance carrier to provide student supplemental medical insurance coverage for all students. The student supplemental medical insurance policy attempts to help students cover medical expenses that are incurred during CHSU academic-related activities, which are not covered by the student's personal medical insurance, such as:

- Injury or illness while participating in CHSU course(s), labs or clinical training that take place on CHSU campus or at an offsite location approved by CHSU.
- Injury or illness while participating in supervised CHSU activities.

The student supplemental medical insurance policy does not replace a student's personal medical insurance policy and students are still required to carry their own personal medical insurance. In accordance with every insurance policy, exclusions apply. If a medical injury, including a needle stick, occurs, please contact college specific Student Services for information as to whether your injury qualifies for this coverage and directions for filling out a medical claim form. The college specific Student Services is responsible for following college level procedures regarding such injuries.
