

COM 1912 : Family Medicine II

The clinical clerkship in Family Medicine II is a required 4-week Core clerkship. This clerkship is designed to provide the student with an understanding of Family Medicine through the integration of didactic knowledge and clinical experiences. Students will receive exposure to a diverse community of patients in both ambulatory and inpatient settings. The curriculum content is delivered to students via the learning management system web site. During the clerkship, students will access the learning website to review learning modules on topics appropriate for a third year Family Medicine clerkship. A required end of clerkship shelf exam will be administered at the conclusion of this clerkship.
